

Bin ich das wirklich?

PHILOSOPHIE ARENA 2024

The image features a white humanoid robot with a simple, rounded head and multiple articulated arms, sitting in a brown leather armchair. The robot is holding an open book and appears to be reading it. The book has the title 'Philosophie für Anfänger' (Philosophy for beginners) on its cover. The background is a dark, star-filled space with a large, hazy planet or star system visible in the distance. The overall theme is a blend of technology and philosophy.
